WHO WE ARE

APTPG is a specialized professional association. APTPG was created to fill a need among clinicians in the problem/disordered gambling field. Such collegial organizations are essential for the ongoing development and improvement of knowledge base and skills. APTPG activities are directed toward answering the question, "What are the commonly accepted state of the art criteria and practices in the treatment of problem/disordered gambling?"

The Association of Professionals Treating Problem Gambling hosts educational and informative seminars. Each seminar offers ICGC and recertification credits. APTPG meets bi-monthly on the second Saturday of the month at the Law Center in New Brunswick. Time is provided for discussion of current gambling trends, policies and news as well as case studies. Interact with some of the leading problem/disordered gambling authorities from the Mid-Atlantic region. An opportunity to share and gain knowledge. Here are some examples of past APTPG seminars:

"Gambling: Impact on the Family"

"Senior Gambling: A Growing National Concern"

"Emotional Manipulation"

"Brain Chemistry and Gambling"

"Gambling: Female Specific Issues"

"Criminal Sentencing of the Gambler: Mitigating Factors"
